RESOURCE CENTRE PORTAL

INTRODUCTION

Welcome to the ORPP Resource Centre Portal—a dynamic platform designed to empower users with access to vital information, resources, and tools for fostering informed governance and promoting political participation. Whether you're a political party official, a researcher, or a citizen, our portal serves as a hub to valuable insights and knowledge.

The ORPP Resource Centre (RC) aims to offer a comprehensive suite of services and resources designed to meet the diverse needs of users and support their information-seeking and research endeavors in a digital environment.

ONLINE SERVICES

Our online portal offers a wide range of services and resources, and provides convenient access to information, research materials, and educational tools.

Catalog Search:
Users can search for books, e-books, journals, articles, multimedia resources, and other materials available in the Resource Centre's collection using a comprehensive catalog search feature.

E-Books and Digital Resources:
The RC repository enables access to a vast collection of e-books, digital journals, articles, databases, and multimedia resources that can be browsed, read, downloaded, or streamed online.

Online Reference Services:
Users receive assistance from Resource Centre staff through virtual reference services, including live chat, email, and telephone support for research queries and information requests.

Database Access:
Subscriptions to various online databases and research platforms providing access to scholarly journals, databases, archival collections, and specialized resources in specific subject areas.

Interlibrary Loan (ILL):
Users are allowed to request material not available in the RC's collection through interlibrary loan services, where the we borrow items from institutions we collaborate with, on behalf of users.

Online Renewals and Reservations:
Users can renew borrowed items, place holds or reservations on materials, and manage their accounts online, offering convenience and flexibility in managing Resource Centre transactions.

Virtual Learning Resources:
Access to online tutorials, instructional videos, research guides, subject-specific guides, and other learning resources to support academic research, information literacy, and lifelong learning.

Digital Archives and Special Collections:
Explore digital archives, special collections, historical documents, rare books, manuscripts, and artifacts preserved by the Resource Centre, offering insights into historical and background information.

Event Calendar and Programming:
Access to an event calendar showcasing Resource Centre programs, workshops, seminars, author talks and other events, with options to register or RSVP online.

Accessibility Features:
Ensuring accessibility for users with disabilities through features such as screen reader compatibility, text-to-speech functionality, adjustable font sizes, and alternative formats for digital resources.

Online Community Engagement:
Opportunities for online community engagement, discussion forums, social media integration, and collaboration spaces where users can interact, share resources, and participate in virtual community activities.

KEY FEATURES

- **User-Friendly Interface:** Navigate the portal with ease, thanks to its intuitive design and user- friendly features.
- **Search Functionality:** Quickly find relevant information using powerful search tools and filters.
- **Updates and Notifications:** Stay informed about the latest news, events and updates related to political parties and electoral processes.
- **Mobile Compatibility:** Access the portal anytime, anywhere, using your smartphone or tablet for on-the-go convenience.

Visit our website at **http://library.orpp.or.ke:7080** to explore the ORPP Resource Centre Portal.
